

Workplace Ethics Training and Development Program

Natalie Romeo
Wilmington University
PSY302
Professor Kokhan

What are Ethics?

Honesty

Respect

Integrity

Diversity

Fairness

Equality

Needs Assessment

Ask the questions:

- Does your business cut corners or set unfair expectations to get jobs done?
- Are employees treated in a manner that could make them feel uncomfortable or unsafe?
 - Signs of depression or unfulfillment
 - Harassment or bullying
- Do conflicts get resolved in a professional and productive manner?

Best Practices

- Solid Foundation of Values
- Ensure Compliance
- Encourage Group Activity & Participation
 - Breakout rooms
- Clarify Type of Training Necessary
 - Company culture
 - Data protection
 - Customer privacy (Thompson, 2021)

Training Strategy- Kirkpatrick Model

- Reaction
